

Welcome to Little Discoveries Childcare LTD.

A little about us.....

We are a small group of three nurseries situated in beautiful rural Somerset. We strive to create a family feel across our group supported by our strong key person approach, ensuring that your child and family are at the heart of all we do. We provide a welcoming atmosphere that fosters the learning and development of each individual child.

We are fortunate to have a close relationship with SS&L, working on bespoke family and adult learning packages and supporting the development of the Early Years Apprenticeship programme. We share SS&L's values in creating a continued learning environment for children, families, and our staff team.

Our managers are extremely passionate about providing high quality learning experiences for all our children. Although we are a group of three nurseries, our settings have their own uniqueness, driven by the experienced managers and their committed teams.

Little Discoveries Yeovil is based in Yeovil, Somerset. The nursery was established in 2013 and became part of Little Discoveries Childcare Ltd. in 2020. The nursery provides high quality childcare for up to 32 children from the ages of 0-5 years old. We are all fortunate to be within one large space but have a separated area for our youngest children along with a welcoming sleep room. The nursery boasts a large grass and patio area for the children to explore. We're open for 51 weeks of the year 8am – 6pm and provide early years funded places.

Little Discoveries Nunney is a rural pre-school situated in the charming, historic village of Nunney providing high quality childcare for children aged between 2 and 5 years. The nursery was established in 2007 and became part of Little Discoveries Childcare Ltd. in 2021. We are on the school site of Nunney First School and are fortunate to be able to have access to the school field and trim trail as well as the school playground. We also have our own enclosed outdoor area for the children allowing us to access free flow play. We currently provide childcare between the hours of 8.30am and 3.30pm and we are open during term time, operating for 38 weeks of the year.

Little Discoveries in Frome is a small and friendly 18-place nursery situated on the Frome Community College site. The nursery was established in 1993 and became part of Little Discoveries Childcare Ltd. in 2022. We are fortunate to have a large outdoor space with a covered area allowing us to access outdoors as part of our daily routine. Our nursery provides high quality childcare for children aged between 2 and 5 years. We are open 51 weeks of the year 8am – 6pm and we provide early years funded places.

Introducing our Management Team

All three of our nurseries have Nursery Managers, Deputy Managers and Lead Practitioners that form the day-to-day management team within the nursery. All staff photos are displayed in the entrance porch or outside the nursery for parents to see.

When you are assigned a key person, you will also find out more about them too and will be given an 'All about Me'.

On occasions staff may work across the nurseries to support and develop their own CPD skills and/or to cover in time of need. We are fortunate to be able to have sister nurseries and we meet twice a year as a larger group so that staff get to know each other. Our management team will also travel between sites as they work collaboratively together on number of projects across the group.

Meet Sara Fennelly - Early Years Academy Manager

Sara is employed by SS&L to oversee the running of Little Discoveries Childcare LTD. Sara line manages and supports the Nursery Managers and visits the nurseries weekly to support both practically in the room with quality and operationally with the business. Sara has had a career in Early Years for over 20 years and holds a strong passion and drive for high quality Early Years Care and Education. Sara likes to get to know all the children registered within the group and will often cover in a Nursery Managers absence, so her face should become familiar.

Meet Naomi Bartin – Nursery Support Manager

Naomi supports Sara with the nurseries and is the named nursery manager for both Yeovil and Frome. Naomi spends her weekly time between Yeovil and Frome and when she is not in Yeovil, Charlotte the Deputy Manager supports the day to day running of the nursery. Naomi is an experienced SENCO and supports all settings with any Multi agency plans and targets for the children. Naomi also has a wealth of knowledge and experience in the Safeguarding field so will often support Nunney in this area if needed. Naomi may support your child's journey and be involved in multi-agency meetings if necessary.

Welcoming parent feedback – We hope that your enrolment experience and your child's/children's first few weeks are positive. Please speak to the nursery Manager if you have any questions at all. We look forward to becoming part of your child's journey.
